Welcome to Elite Online, how you doing? I'm great thank you!

Thank you for coming to Portugal with us, did you have fun? Yeah, thank you for inviting me, it was an amazing experience and I loved every second of it.

What was your favourite moment of the trip? Definitely, the moment when I taught ATOM how to put his hair up in a towel... and then we created the 'Namaste Movement'.

Quick fire round... (just one answer and has to be one of the people from the trip)
...best banter? ATOM
...best booty? Dannika
...best boobs? Me
...funniest jokes? ATOM/ Tripodski
...favourite person on the trip? ATOM

HAVE YOU GOT MUCH PLANNED COMING UP? YES, BUT THAT'S A SECRET FOR ME TO KNOW. IT SHALL ALL BE REVEALED SOON...

What's the dirtiest meal you regularly stuff your face with? Two helpings of the greasiest McDonalds breakfast I can get my hands on!

You've gotta have a drink to wash it down as well. What's your alcohol of choice? Gin, because I can mix it with absolutely anything.

Where is your favourite place to shoot? And what's a must on set for you? I like places that have a lot of things to work with, so it's not dull. I normally like outdoors type of concepts. A must-have is music and food... I can't work without either of snacks!

Speaking of being awesome, are you inspired by anyone in particular out there right now putting content into our brains? Keshia definitely inspires me a lot in the cosplay world and makes me want to do more with that side of modelling. Photographer wise I really like Haris Nukem as it's so different and raw.

What have you been...
...listening to recently? A lot of Blue October.
...watching recently? I have just binged the whole nightmare on Elms Street series.
...wearing recently? My boyfriends shirts!

**SUMMER HAS ALMOST

HAVE YOU BEEN UP TO
IN THE SUN THIS YEAR?**

**I HAVEN'T BEEN UP TO
MUCH THIS YEAR, AS
YOU KNOW I AM GINGER!
IT'S NOT MY FRIEND... 5

Welcome to Elite Online, how you doin'?
I'm good! Excited to be back as always!

Wonderful to have you featuring, what was it like to shoot with us? ATOM is absolutely amazing to shoot with. Shooting with one of my closest mates is always so much fun and I am so blessed.

Do you also watch what you eat, or is every day a cheat day? I naturally have a taste for good fresh food over oily processed stuff - I do eat A LOT for the size I am.

HOW WAS YOUR TRIP TO THE UK, DID YOU HAVE FUN? I DID! ALTHOUGH I WAS WORKING 95% OF THE TIME. BUT WHEN WORKING MEANS PHOTOGRAPHING BEAUTIFUL AND WONDERFUL WOMEN IT'S PRETTY GREAT.

What's the dirtiest meal you regularly stuff your face with?

Any food delivery on a Sunday. I'm all about carbs.

You've gotta have a drink to wash it down as well. What's your alcohol of choice?

I rarely drink, but when I do it's a glass of red.

Summer has ended here in the UK. What do you look forward to the most when the sun comes out?

Naked sunbathing. Camping trips and running around in the park with my doggo.

Summer means festival season, got any dates or gigs you're looking out for?

Subsonic is a must do in Australia. It's a really freeing festival! I'll try and make some house/techno day festivals too.

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you?

Accessories. It takes it to the next level. Masks or hats or jewellery or bomb ass kicks make a set so much better. It's more to play with!

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains?

Tink is just the cutest. Arachnie is the cutest... All my girls are the cutest.

Summer has almost come to an end. What have you been up to in the sun this year?

DANNIKA & TINK

Welcome to Elite Online, how you doing? I've just moved back to Dubai, so I'm great thanks I hope you're well too!

What's it like to be back on our cover? Amazing. What an honour and privilege. And to be with Tink as well; wow.

We couldn't happier to have you as part of Team Elite! What has been your favourite moment with us so far? It isn't a particular moment I would say it's the friendships I've made and the amazing people I've met through Elite.

Thank you for coming to Portugal with us, did you have fun? One of my favourite holidays! And you know I've been away a lot. The whole gang made it and the location! My mouth is still recovering from the permanent smile and giggles I had the whole duration. Shooting followed by games in the pool, pure bliss!

WHAT WAS YOUR FAVOURITE MOMENT OF THE TRIP? PARKOUR! YES. SO I WAS TOLD TO TRY AND CALM THE OTHER GIRLS DOWN ON THEIR GAME OF PARKOUR AS IT WAS PRETTY INTENSE. BUT NONE THE LESS ME BEING ME JUST JOINED IN INSTEAD. THEN I WENT TO BED... OH SORRY WE GOT IN THE POOL FIRST! THEN I WENT TO BED.

Quick fire round...

... **best banter?** Me. Jokes... emm Helen.

... **best booty?** Tink

... **best boobs?** Flo

... **funniest jokes?** ATOM

... **favourite person on the trip?** Every individual really made an impact on this trip. There's girls I've know for years and then I met the other girls there. But they're all the best.

You are quickly starting to fill up your body with tattoos, what would you say your favourite piece is? Well I haven't had a tattoo in ages. I want to finish my arm this year now I'm settled here for a few months. My favourite is the peacock feather on my calf as I drew it and it was my logo for a charity fashion show I organised and designed and made the clothes for years ago. So it means something to me. Plus every peacock feather is different.

If you could do a multi shoot with anyone, who would it be and why? I'm actually going to say my best friend Danielle even though she's never modelled, she's the most beautiful girl in the world.

Summer has almost come to an end. What have you been up to in the sun this year? I did some travelling, I saw my family, I had many cuddles with my dog Hugo... Just really enjoyed being in the UK for the first time haha.

HAVE YOU GOT MUCH PLANNED COMING UP? I HAVE A CALENDAR! BUT THIS TIME WE HAD MORE TIME TO MAKE IT CREATIVE AND MORE "ME". I'M ALSO WORKING ON ANOTHER VENTURE THAT I CAN SHARE WITH YOU GUYS SOON!

Where is your favourite place to shoot? And what's a must on set for you? I love the outside and nature. Trees and plants are beautiful and makes me feel more intertwined with the universe. So Portugal was perfect! Haha, a must have would be all the accessories!

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? Yes - many girls are uploading inspirational content. In particular Daisydootaylor I love how she mixes glamour and fashion and spreads the word of self love and she always brings up girls which is lovely. Also my close friend DianaDianyte she has a focus on travel and fashion and all her content is sophisticated and artistic.

What have you been...

...listening to recently? I listen to everything! But mostly meditation music.

...watching recently? The last two films I watched were Frozen and Maleficent.

...wearing recently? Oversized men's t shirts with my Doctor Martens.

It's been a blast, thanks for taking the time to speak with us. Have you got a message for everyone seeing this? Just to make sure you love yourself because you are incredible.

Photographer: ATOM

Welcome to Elite Online, how you doing? Thank you for having me! I'm doing really well thank you, how are you?

What's it like to be on our cover for the first time? A little overwhelming, I feel very honoured to be on the cover in such a short amount of time. I didn't think I compared to the other models!

You totally deserve it, you have sky rocketed in the industry and we couldn't be happier to have you as part of Team Elite! What has been your favourite moment with us so far? There's been too many to count! I always have an amazing time when I'm with you guys. You always bring a smile to my face and make me feel so much more confident in myself.

THANK YOU FOR COMING TO PORTUGAL WITH US, DID YOU HAVE FUN? IT WAS THE BEST TIME, I GOT TO MEET SOME BEAUTIFUL PEOPLE - INSIDE AND OUT, SOME OF WHOM I CONSIDER FRIENDS FOR LIFE.

What was your favourite moment of the trip?

Oh gosh, there were so many! I don't know if I can narrow it down to just one. The shoots, meeting the girls... I loved sharing a room with Keshia, I know that sounds really boring but I hardly get to see her! So the fact that I got to spend so much time with her made me really happy.

Quick fire round...

...best banter? ATOM!

...best booty? Dannika, obsv.. booty queen!

...best boobs? I couldn't take my eyes off Keshia's! Haha.

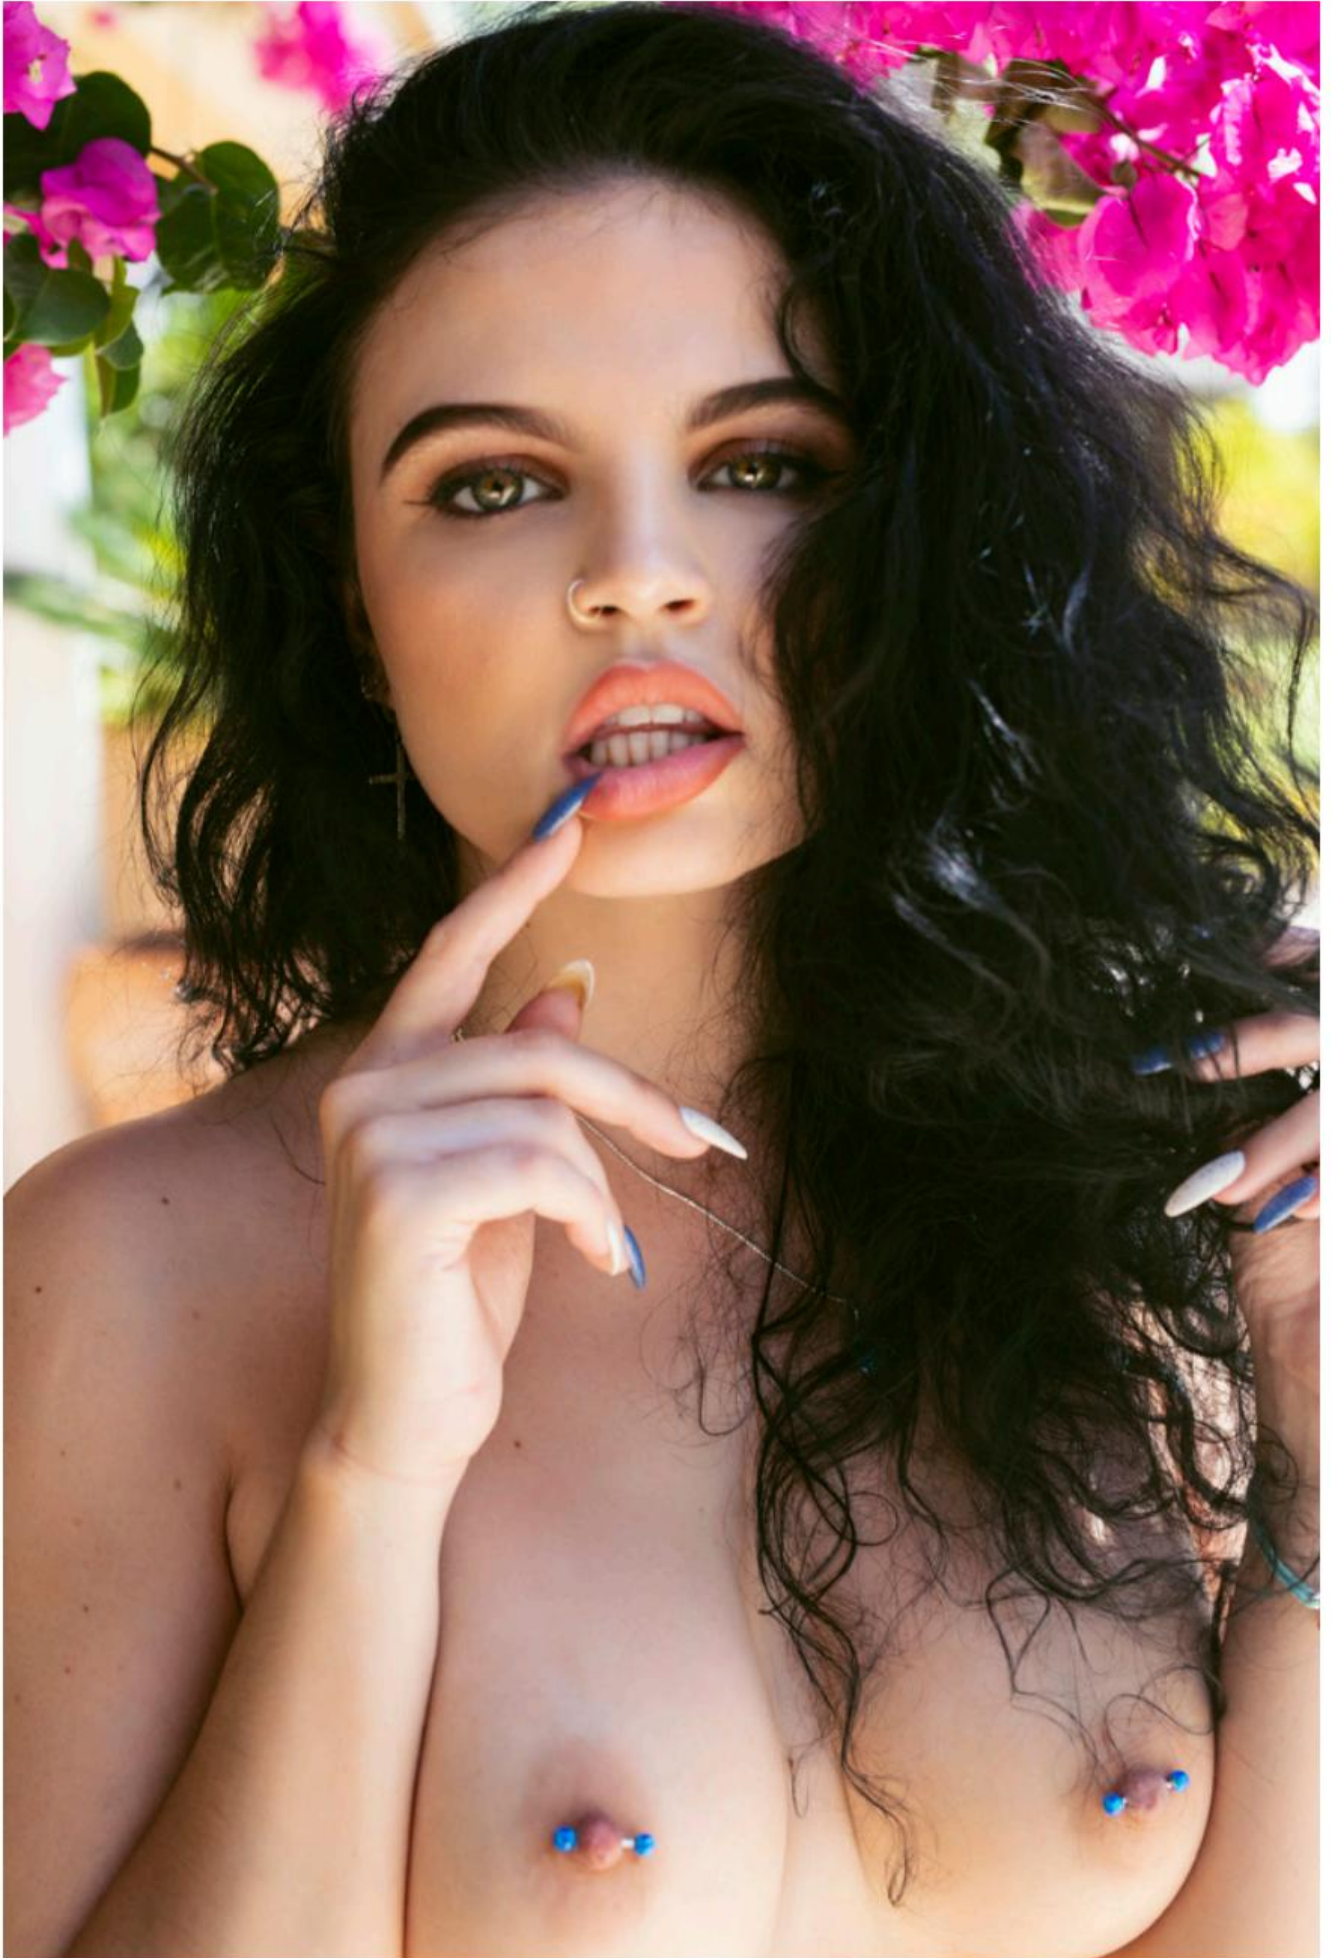

...funniest jokes? I'd like to say myself but I seem to be the only one laughing at them!

...favourite person on the trip? Noooo - I can't choose just one!

You are quickly starting to fill up your body with tattoos, what would you say your favourite piece is? Definitely the floral piece on my thigh - it represents my mum, grandma and myself as it has all our favourite flowers, along with a lotus to represent our family's Indian heritage.

If you could do a multi shoot with anyone, who would it be and why? I'm still in awe that I've had the opportunity to multi with as many beautiful ladies as I have so far! There's too many to mention... I'd love to shoot with Rebecca Crow, she's just such a sweet person and makes me feel so comfortable - though I'd probably spend the whole time just watching her! Haha.

Summer has almost come to an end. What have you been up to in the sun this year? I've been lucky enough to visit Portugal twice this year, which is amazing considering I hadn't had a holiday in over 5 years! I also shot my first ever calendar, which I'm very excited for everyone to see, and have dipped my toe back into the acting world! I'm still in awe that I was in the mere presence of Tim Roth!

HAVE YOU GOT MUCH PLANNED COMING UP? I'M REALLY BUSY WITH WORK AT THE MOMENT - WHICH IS GREAT! BUT, I WANT TO FOCUS ON AUDITIONING AS MUCH AS POSSIBLE FOR EVERY PROFESSIONAL ACTING JOB I CAN! GONNA BE A BUSY BEE!

Where is your favourite place to shoot? And what's a must on set for you? Oooh, my favourite place I've shot in so far is probably Herefordshire. We stayed there for the SGUK shoot fest earlier this year. It was in a beautiful location with lots of greenery, nature and beautiful rooms in the barn conversions.

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? I know I always mention her, but probably Keshia! She's someone who's doing extremely well and always inspires me to do more. She always has great ideas, whether it's a new cosplay, something creative, or a way to expand my work.

What have you been...

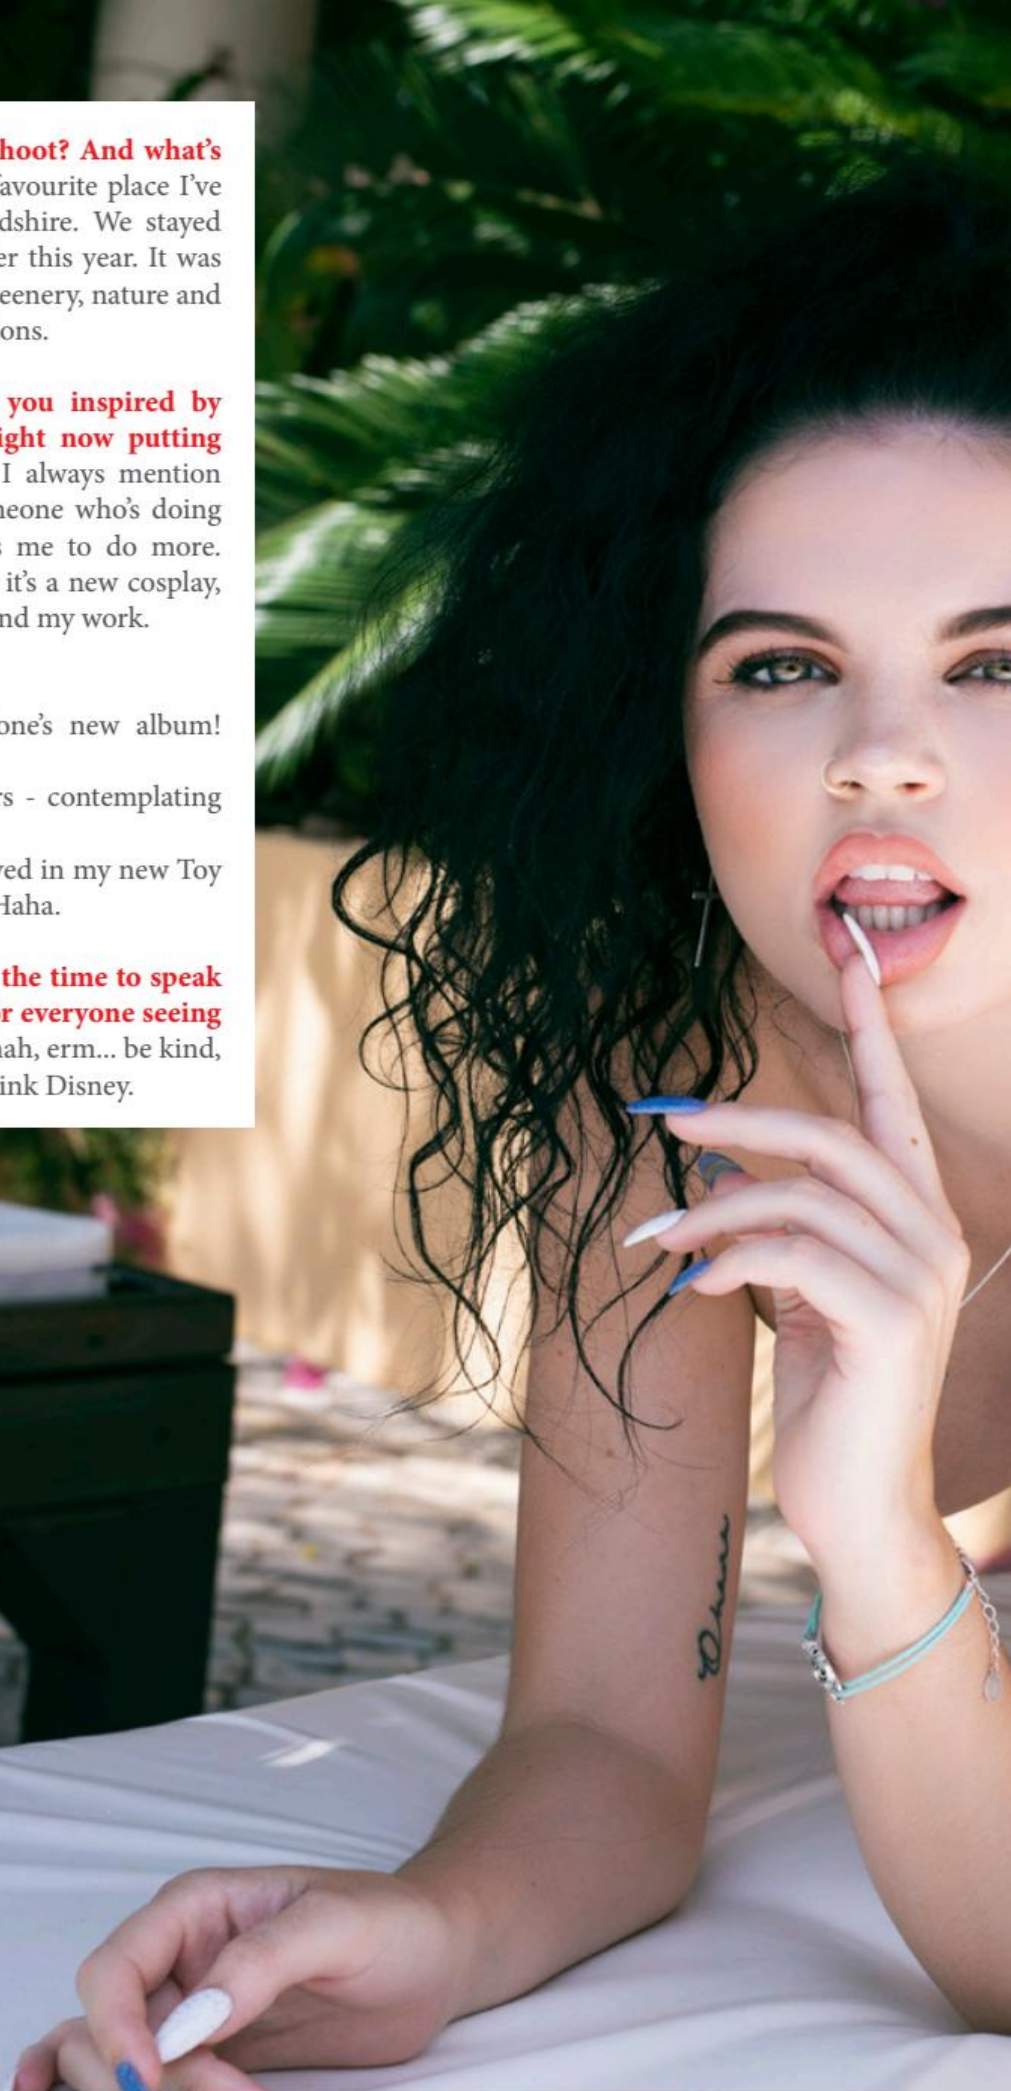

...listening to recently? Post Malone's new album! Drool...

...watching recently? Peaky blinders - contemplating doing a peaky blinders set!

...wearing recently? I've basically lived in my new Toy Story jersey from the Disney Store! Haha.

It's been a blast, thanks for taking the time to speak with us. Have you got a message for everyone seeing this? TOO MUCH PRESSURE! Hahah, erm... be kind, love yourself and when in doubt - think Disney.

Photographer: ATOM

Welcome to Elite Online, how you doing? Hey! I'm tired to be honest, but I guess it's a good tiredness. I had the chance this year to travel a lot for work, it's exhausting, but I feel so blessed for everything I had and worked with/for.

Wonderful to have you featuring, what was it like to shoot with us? So easy! It was so much fun. I will never get enough of working with you.

How was your trip to the UK, did you have fun? I did! England is one of my favourite countries, I lived in London for a while and I love to come back as much as I can. It's been my second time in Newcastle by the way and the weather is always by my side! I really love this city and it was a pleasure to come back and share wonderful moment with Elite team and some of my friends (thinking mostly about Killpop!)

Do you also watch what you eat, or is every day a cheat day? I never really paid attention of what I eat unless it's vegan. I never liked to eat, never appreciated eating, so now when I really want to eat something I like, I just do! And to be honest, my body metabolism is quite good with me so I can eat whatever I want without to think about the scales.

Photographer: ATOM

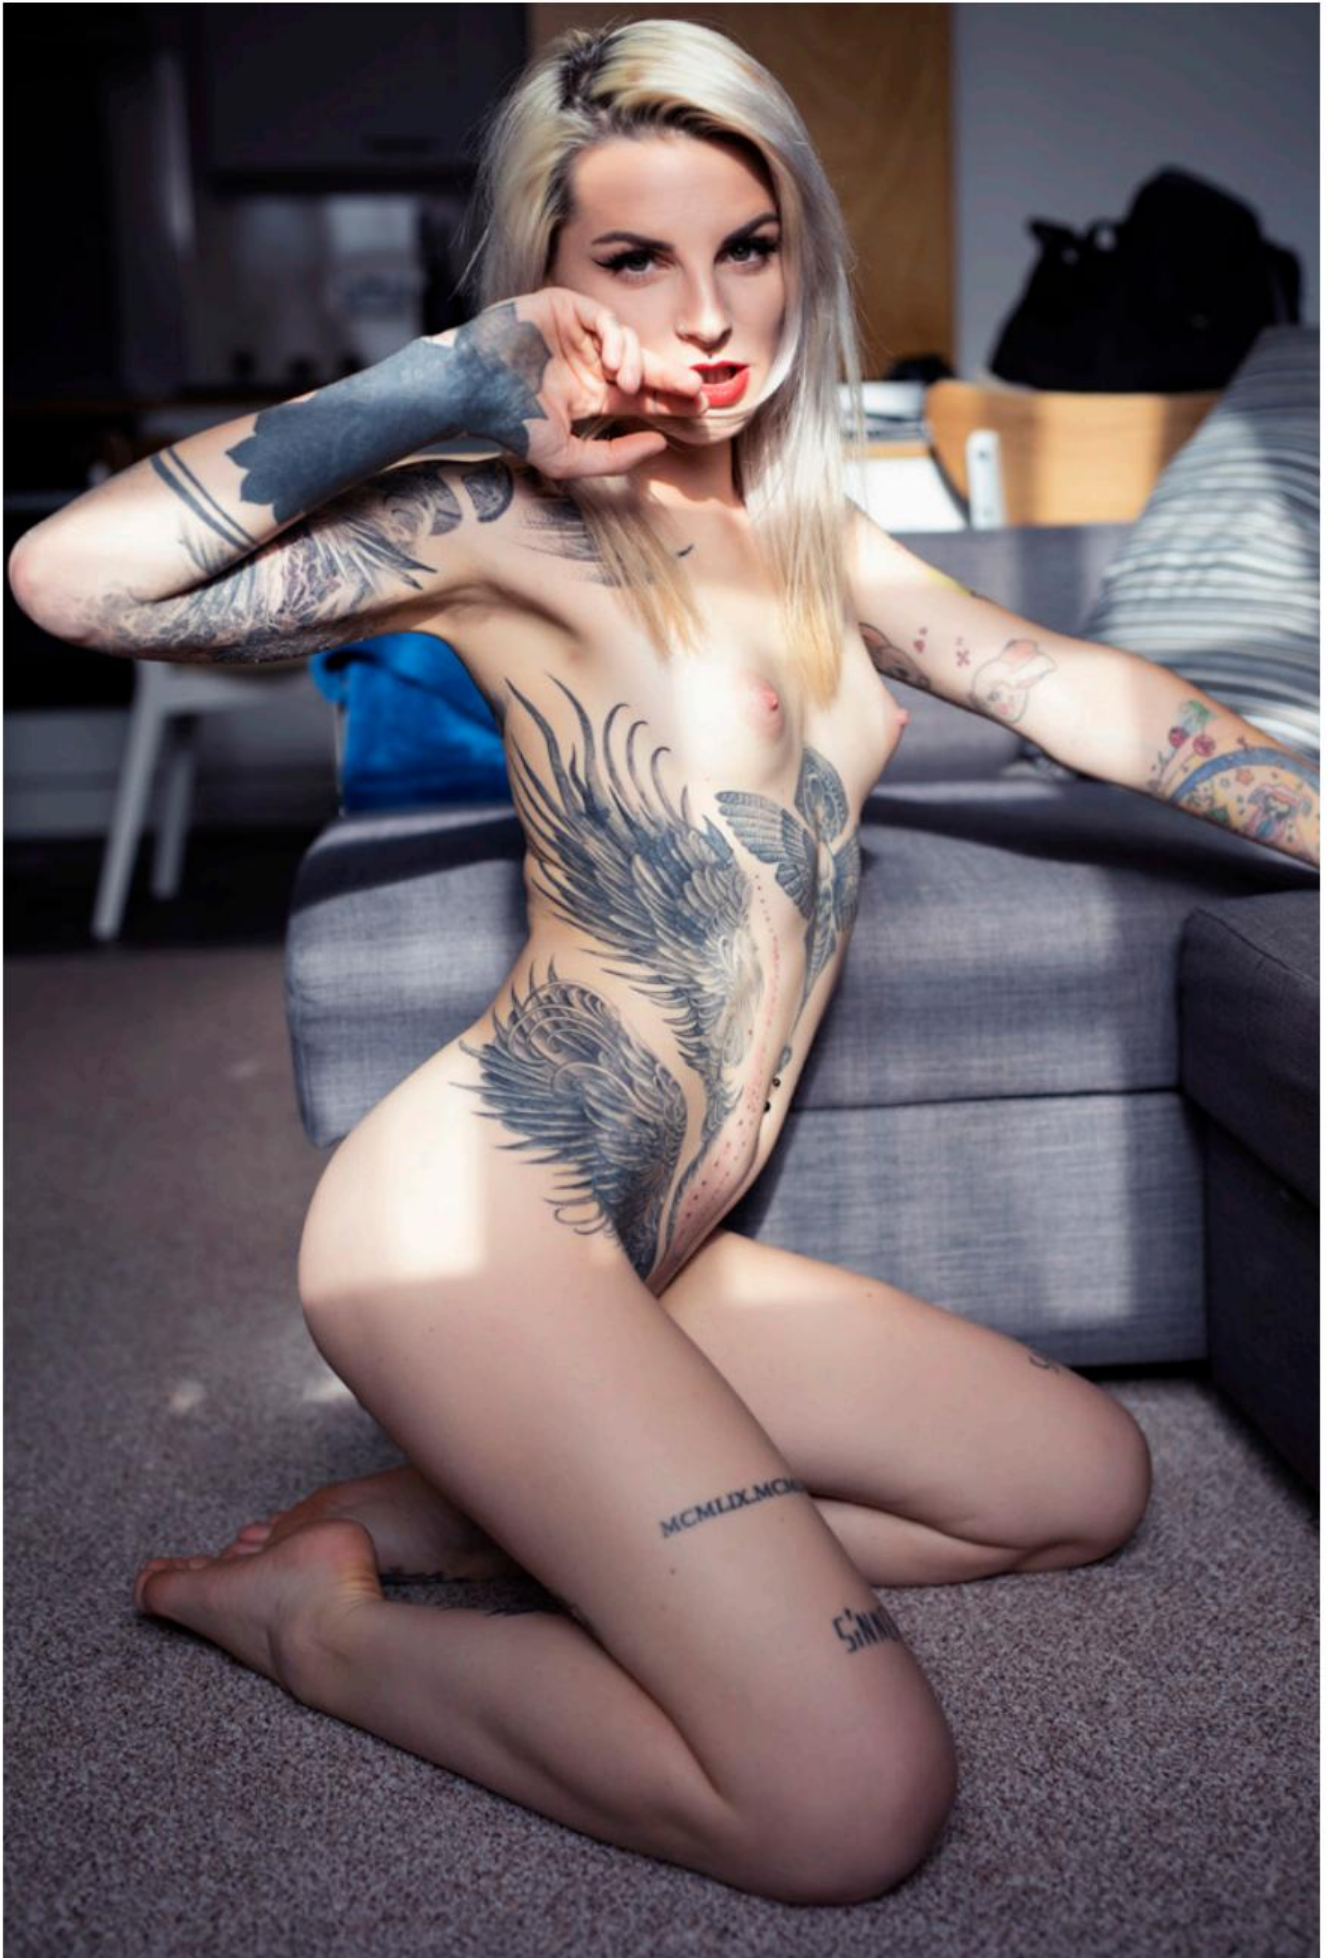

Photographer: ATOM

WHERE IS YOUR FAVOURITE PLACE TO SHOOT? AND WHAT'S A MUST ON SET FOR YOU? IF WE TALK ABOUT CITIES, I'LL GO FOR ITALY (MILAN) AND ENGLAND (LONDON & NEWCASTLE OF COURSE). I ALSO ENJOYED WORKING IN IBIZA. IF WE TALK ABOUT INDOOR/ OUTDOOR/STUDIO... GONNA SAY INDOOR, IN AWESOME AIRBNB OR HOTEL ROOM. YOU CAN ALWAYS BE INSPIRED BY THE HOUSE/ROOM AND YOU MAKE YOUR WORK VERY INTERESTING. ABOUT THE MUST ON SET, MUSIC FIRST AND WATER TO STAY HYDRATED HAHA.

Photographer: ATOM

HAVE YOU GOT MUCH PLANNED COMING UP? HELL YEAH! I WISH I COULD GO TO MILAN IN OCTOBER. AND MOST IMPORTANT, I'M GOING TO THE USA IN NOVEMBER FOR A MONTH FOR THE FIRST TIME OF MY LIFE! IT'S A DREAM COME TRUE AND I JUST CAN'T WAIT!

What's the dirtiest meal you regularly stuff your face with?

Junk food! I eat healthy as much as I can and if I was able to, I'd probably eat only fruits! But sometimes junk food is so easy... Vegan burgers are amazing! And during my trip to Newcastle I had the chance to discover an amazing vegan place selling vegan chicken and it was SO good! Wish I could eat over there everyday and forever haha.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? Water, then beer!

Summer has almost come to an end. What have you been up to in the sun this year? Don't remind me the summer is ending... One more time I had the chance to travel a lot this year, during this summer I have been in UK, south of France, Ibiza, south of France again and then Amsterdam. No vacation for me, but traveling for work is the best!

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? I'm not really inspired by someone, I follow some girls (most of them are my friends from SG) and they feed me with their content. I like to visit a lot of museums or exhibitions to get some inspiration as well.

What have you been...

...listening to recently? The new songs of Miley Cyrus (love the lyrics), Grimes, and a Belgium singer called Angèle (love the lyrics).

...watching recently? The entire new season of Stranger Things, Easy, Euphoria and Orange is the New Black (traveling is the best way to watch TV Shows).

...wearing recently? Almost nothing haha and it's my favourite part of Summer!

It's been a blast, thanks for taking the time to speak with us.

Have you got a message for everyone seeing this? Thanks to you to always bring joy and love into my life! It's always a pleasure to work and spend time with you! And for all of you, believe in your dreams, even the crazier; it's worth it!

Thank you for coming to Portugal with us, did you have fun? It was a blast! Thanks for having me! It was like all the loveliest girls rolled into one bundle mixed with a sunny holiday, I love the heat since we don't get much in the UK.

What was your favourite moment of the trip? Everyone's drunken (and not dangerous at all) PARKOUR!

SUMMER HAS ALMOST COME TO AN END. WHAT HAVE YOU BEEN UP TO IN THE SUN THIS YEAR? I GUESS WE HAD THAT ONE HOT WEEK IN THE UK, I BOUGHT MY OWN HOUSE WITH A GARDEN TO LAP IT UP!

Quick fire round...

...best banter? Jasmine

...best booty? Tink

...best boobs? Flo

...funniest jokes? Dannika

...favourite person on the trip? Someone I'd never met before this trip was Alex, my new little babe.

What's the dirtiest meal you regularly stuff your face with? I'd have to say kebab with lots of garlic sauce and I love pizza too!

You've gotta have a drink to wash it down as well. What's your alcohol of choice? I like fruity ciders or Disaranno.

Have you got much planned coming up? I'm excited to get some Halloween shooting done and I'm off to Poland with my family soon for a little holiday. I also work in a cat cafe so I can't wait for cozy Christmas time there with my fur babies!

Where is your favourite place to shoot? And what's a must on set for you? I just love concepts and themes, hence why I ended up really liking cosplay! I love dressing up down to the little details.

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? I absolutely love Tinks photos and she works really hard! And as always Erica Fett is the biggest inspiration to me.

Welcome to Elite Online, how you doing? I'm very well thankyou! How are you?

Thank you for coming to Portugal with us, did you have fun? Thank you for having me! I had a blast.

What was your favourite moment of the trip? Oh, there are so many amazing moments to choose from. It's so hard to pick just one! My favourite moments include taking a shower with Tink, sharing a kiss with Dannika, and of course the "family" meal we all shared!

Quick fire round...

... best banter? ATOM

... favourite person on the trip? Tripodski!

You've gotta have a drink to wash it down as well. What's your alcohol of choice? I'm usually a humble spiced rum and coke kinda girl - but recently I've been having a whole lot of piña colodas, so I'd have to choose the latter!

Summer has almost come to an end. What have you been up to in the sun this year? This year, particularly this summer; has been a ball. I've starred in music videos, attended outdoor events/festivities, had my artwork in exhibitions - and of course met some of the most amazing people.

WHAT'S THE
DIRTIEST MEAL
YOU REGULARLY
STUFF YOUR FACE
WITH? A BIG FAT
PIZZA.

Where is your favourite place to shoot? It would have to be bathrooms/shower rooms. Something about getting clean is wonderfully seductive. A must on set for me is music, it sets the tone - whether that be sultry, or so jolly you're singing the house down!

Speaking of being awesome, are you inspired by anyone in particular out there right now putting content into our brains? I'm always so inspired by Kawaii Keshia. I love her style and personality. She's an amazing content creator and an even more amazing person!

What have you been...

...listening to recently? I've had a healthy mix of xxxtentacion, Red Hot Chilli Peppers, and of course Slipknots new album 'we are not your kind'. Varied, I know!

...watching recently? I've just finished watching 'The Dark Crystal' series. I also went to see IT chapter 2 in cinemas.

...wearing recently? I've been wearing a lot of Ann Summers recently. Treat yourself! And you didn't ask about gaming but I'll tell you anyway because I'm super excited - I've been playing 'Dragon Age: Origins' recently. I'm also waiting on the 'Borderlands 3' release!

HAVE YOU GOT MUCH PLANNED COMING UP? COMING UP THIS MONTH, I HAVE ANOTHER MUSIC VIDEO, MY BIRTHDAY, AND MY GRADUATION CEREMONY! FOLLOWING THESE I'M HOPING TO SHOOT IN PLACES LIKE LONDON AND NEWCASTLE, WITH SOME WONDERFUL PHOTOGRAPHERS.

A photograph showing the back and shoulder of a woman with a tattoo. To her right is a large, dense green plant with heart-shaped leaves. The background is a tiled patio area with a building wall and a window with shutters.

Welcome to Elite Online, how you doing? Today I'm doing very well, feeling happy and positive. Thank you Elite! x

Thank you for coming to Portugal with us, did you have fun? The girls there were doing funny jokes every moment, so I really had a lot of fun in Portugal with them.

**WHERE IS YOUR FAVOURITE PLACE TO SHOOT? AND
WHAT'S A MUST ON SET FOR YOU? I THINK MY FAVOURITE
PLACE TO SHOOT IS ON THE STREET AND I LOVE TO SHOOT

What was your favourite moment of the trip? I can't say I have a favourite moment because I joined every single day but if I have to, I could say when all of us was chilling around the pool... taking in the sun, drinking, having fun (like trying to jump in the pool from the board without going on the inflatable) and taking pictures for our social media, but also some for memories.

What's the dirtiest meal you regularly stuff your face with? I regularly stuff my face with pasta which is a traditional meal of my country.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? My alcohol of choice is Jack Daniel's & coke (I don't really like to drink alcohol)

Summer has almost come to an end. What have you been up to in the sun this year? This year I tried to get lot of sun ('cause usually I'm pale unfortunately), going to the seaside more times would help it, and I would stay there all the day with my friends.

SPEAKING OF AWESOME WORK, ARE YOU INSPIRED BY ANYONE IN PARTICULAR OUT THERE RIGHT NOW PUTTING CONTENT INTO OUR BRAINS? I'M INSPIRED BY FISHBALL, SHE WAS MY IDOL EVEN BEFORE I BECAME A MODEL.
